Stokes Co. Board of Elections  
Mr. Jason Perry, Director  
PO Box 34  
Danbury, NC 27016

Ref: Changing Polling Location

Mr. Perry,

I would like to inform the Stokes County Board of Elections if they take no action to move the polling location from American Legion Post 290 as per state law I will take legal action to have it moved to a safe and secure location.

The Board is under no obligation nor is there any contract with the Post to hold elections on its property. As I stated in my previous letter during the last two elections at this location there have been assaults at the polling station, with the last one being committed by a uniformed Post 290 member, Ronald Shouse. Which is a direct violation of state election law concerning private property owners. Post 290 instead of taking action against Mr. Shouse choose to state I purposely instigated the incident. Fortunately there is video evidence, a police report, witness statements and charges that prove otherwise.

Please inform the Stokes Co. Board of Elections that I will be at the next meeting and expect a final ruling.

If you have any questions please feel free to call me.

Thank You,

*Steven R. Hewett*
